Original (Supplement 1)**Reporting Officer: JOHNSON, ROGER****05/10/18****SYNOPSIS**

R/O was dispatched to the area of 5454-1/2 on Deans Hill in Berrien Springs for a civil stand-by. R/O met with JUDY KLIMP in the parking lot next to this location. KLIMP advised that she wanted to get some keys for a vehicle and wanted officers to stand-by while she did so.

R/O and KLIMP went to the address and initially made contact with JACK LUNNEEN, who went back into the residence and retrieved WHITNEY MARCELO. WHITNEY was the subject that JUDY wanted to talk to about getting the keys. MARCELO advised that was not giving KLIMP the keys and eventually KLIMP was advised to leave due to the agitating tone of her voice.

After she left and R/O noticed the smell of marijuana coming from the residence, R/O gained consent to search and recovered a quantity of suspected marijuana. Charges may be sought on WHITNEY MARCELO, pending lab results.

INFORMATION

On 05-07-18 at 2142 hours, R/O was dispatched to the liquor store parking lot next to 5454-1/2 Deans Hill Rd., Berrien Township, Berrien County, Michigan. Upon arrival, KLIMP was inside a vehicle. She exited and approached R/Os patrol car and advised that a family member of hers was arrested from the address we were going to and a vehicle was there that she wanted to get keys to.

R/O went to the address with KLIMP and knocked on the door, which was answered by JACK LUNNEEN. He immediately retrieved WHITNEY MARCELO.

CIVIL STAND-BY

R/O during this call immediately noticed the odor of marijuana emitting from the residence. WHITNEY MARCELO and JUDY KLIMP had a conversation. MARCELO refused to give KLIMP the keys to the vehicle in which KLIMP was seeking. Eventually, the conversation between KLIMP and MARCELO became heated. R/O advised KLIMP that R/O could not make MARCELO give her the keys and she probably needed to leave due to the agitating factor of the situation. KLIMP complied and left the scene.

CONSENT SEARCH

Once KLIMP was gone, R/O advised MARCELO that R/O could smell the odor of marijuana and asked her if she had a medical marijuana card. She advised that she did not; but, the guy inside did, this being JACK LUNNEEN.

R/O asked her if it could be seen. She advised that she didnt think that he had it on him. R/O then asked for consent to search, after R/O advised that a search warrant may be obtained for the residence based on probable cause of the odor emitting from the residence.

CONSENT SEARCH

JACK LUNNEEN guided R/O to the kitchen and opened an upper cabinet. He handed R/O a cigarette box containing a quantity of suspected marijuana. He immediately advised it was not his; but, he saw that it was up there and wanted to turn it over to R/O.

INTERVIEW WITH WHITNEY MARCELO

When R/O asked who the marijuana belonged to MARCELO advised that it was hers and she bought it from some school kid, a white male with fluffy hair. Once receiving the suspected substance, R/O then advised MARCELO that it would be sent to the lab for analysis and charges may be sought for her arrest pending lab results.

EVIDENCE

Retained in R/Os possession was one Marlboro Red cigarette box containing a baggie of 1.5 grams of suspected marijuana.

FIELD TEST

Not tested; sent to the lab.

CHAIN OF CUSTODY

R/O kept the substance in R/Os possession until returning to the BCSD where it was placed in a manila envelope, sealed and initialed by R/O. It was then placed into BCSD evidence where it was secured for later transport to the Berrien County Forensic Lab for further analysis.

PRIORS

MARCELO did not show any priors for possession of marijuana.
